

# HOMESTEAD VALLEY COMMUNITY COUNCIL

*One Voice for the People of Homestead Valley*

The Homestead Valley Community Council is a union of four historic homestead communities: Yucca Mesa, Landers, Flamingo Heights and Johnson Valley. It acts as our voice to the county on issues that affect us all.

HVCC meets on the 3rd Monday of every month. The meeting place rotates among the four community centers.

If you have any question or problem that should be brought before the county, you are welcome to come to a meeting and tell about it.

Or you can contact an HVCC delegate from your community and have them bring your issue up before the council.

## **MAJOR PROJECTS UNDER WAY**

OPPOSITION to the proposal to include Yucca Mesa in the Sphere of Influence of the Town of Yucca Valley is a priority with HVCC right now.

Letters have been written to the county and our views expressed strongly to Neil Derry's field representative, Alan Rasmussen. A Resolution opposing the SOI has been presented to LAFCO (Local Agency Formation Commission) who will be making the final decision on the matter.

To find out what this is all about, and to get the latest info, log on to [www.StopYuccaMesaAnnexation.org](http://www.StopYuccaMesaAnnexation.org) or call 760-219-7924.

HIGHWAY 247 A committee has also been formed to pursue the designation of Hwy. 247/Old Woman Springs Rd. as a Scenic and/or Historic Highway. The county is the local governing body in such an action to take the project to Caltrans,

All four of our communities are held together by Old Woman Springs Rd., and Lucerne Valley is also in favor of this project.
